

## **PART II**

# **ZONING REGULATIONS**

## 9.0 Zoning Regulations

### 9.1 Scope

These regulations are applicable for the entire area, which have been declared as an urban development area under the section 3(1) of the Urban Development Authority Act No.41 of 1978, which has been amended several times, within the administrative limits of the Maharagama Urban Council.

### 9.2 General Regulations

9.2.1 Where the use of a site or premises is designated for a specific use in the Maharagama Development Plan it should be used only for the purpose so designated.

9.2.2 Where the use of a site or premises is not designated for a specific use , its use shall be in conformity with the use permissible in the zone where it lies.

9.2.3 No person shall use any site or building for a purpose other than the one approved in the Development Permit.

9.2.4 Where any premises applied for construction or change of use of a building for a religious purpose, the applicant should produce evidence from the people within the area of 0.5 km. radius saying that the 66 % of the residents are not against this development, or change of use. This requirement is applicable to the permanent erection of crosses, statues and other religious symbol or the display of religious exhibitions.

9.2.5 No burial memorial is constructed or erected, without a development permit.

From a point where the northern boundary of Maharagama U.C. area and the centre line of 1<sup>st</sup> Lane meets a line drawn southeastwards along the centre line of the 1<sup>st</sup> Lane until it meets the centre line of Hokandara road; thence, a line drawn northeastwards along the centre line of the said road until it meets the centre line of Weerakone Mawatha.

East :

From the last mentioned point a line drawn northeastward along the centre line of Weerakone Mawatha until it meets the centre line of Nimal R. Peris Mawatha; thence, a line drawn southwestwards along the centre line of said Mawatha until it reaches the centre line of Battaramulla – Maharagama road; thence southeastwards a line drawn along the said road until it meets the centre line of Pansala road.

South :

From the last mentioned point a line drawn northwestwards along the centre line of Pansala road until it meets the centre line of “Wali road”; thence, northwestwards a line drawn along the centre line of the said road to a distance of 150 meters.

West :

From the last mentioned point a line drawn northwestwards along the centre line of “Wali road” until it reaches the centre line of Bodhirajah Mawatha; thence, northwestwards along the centre of Bodhirajah Mawatha until it meets the centre line of Thalawathugoda – Pittakotte road; thence, a line drawn northeastwards along the centre of the said road until it meets the eastern boundary of the paddy field no. 66/14/17,22 of 2001 (Survey Dept.), thence a line drawn northeastwards along the eastern boundary of said paddy field until it meets the northern boundary of Maharagama Urban Council area; thence, a line drawn northeastwards along the Maharagama Urban Council area boundary until it meets the starting point.

## **Mixed Development Zone A**

North :

From the point where the centre lines of 8<sup>th</sup> Lane and the 7<sup>th</sup> Lane meets a line drawn eastwards along the centre line of 7<sup>th</sup> Lane until it meets the northern boundary of Maharagama U.C. area; thence, a line drawn southeastwards along the said northern boundary until it meets the centre line of Kesbawa road.

East :

From the last mentioned point a line drawn southwestwards along the centre line of Kesbawa road until it meets the centre line of Park road.

South :

From the last mentioned point a line drawn northwestwards along the centre line of Park road until it meets the centre line of Pepiliyana road.

West :

From the last mentioned point a line drawn northwestwards along the northern boundary of the paddy field no. 66/18/05 until it meets the centre line of Wekanda road; thence, northwestwards along the centre line of the said road until it meets the centre line of 5<sup>th</sup> Lane; thence, northeastwards along the centre line of the said Lane until it meets the centre line of 8<sup>th</sup> Lane; thence, a line drawn northwards along the centre line of the said 8<sup>th</sup> Lane until it reaches the starting point.

### **Mixed Development Zone B**

North :

From the meeting point of the centre line of Raja Mawatha and the western boundary of Maharagama U.C. area a line drawn eastwards along the centre line of Raja Mawatha until it meets the centre line of Mahawatta road.

East :

From the last mentioned point a line drawn southwestwards along the centre line Mahawatta road until it meets the centre line of Eksath road; thence, a line drawn southeastwards along the centre line of the said road until it meets the centre line of Kanatha 1<sup>st</sup> Lane; thence a line drawn southwards along the centre line of the said 1<sup>st</sup> Lane until it meets the centre line of Kanatha road.

South :

From the last mentioned point a line drawn westwards along the centre line of Kanatha road until it meets the western boundary of Maharagama U.C. area.

West :

From the last mentioned point a line drawn northwestwards along the western boundary of Maharagama U.C. area until it meets the starting point.

### **Mixed Development Zone C**

North :

From a point where the centre line of Vivekarama road and the western boundary of Maharagama U.C. area meets a line drawn northeastwards along the centre line of Vivekarama road until it meets the centre line of Mahawatta road; thence, a line drawn southeastwards along the centre line of the said road until it meets the centre line of Madiwela road; thence, a line drawn northeastwards along the centre line of the said road until it meets the centre line of Thalapathpitiya Pansala road; thence, a line drawn southeastwards and eastwards along the centre line of the said road until it meets the centre line of Samagi Mawatha.

East :

From the last mentioned point a line drawn southwestwards along the centre line of Samagi Mawatha to a distance of 290 m.

South :

From the last mentioned point a line drawn southwestwards along the centre line of Samagi Mawatha until it meets the western boundary of Maharagama U.C. area.

West :

From the last mentioned point a line drawn northwestwards along the western boundary of Maharagama U.C. area until it reaches the starting point.

### **Mixed Development Zone D**

North :

From the point where the northern reservation line (15 m) of Boralasgamuwa Lake meets, a line drawn northeastwards along the centre line of Wathegedera road until it meets the centre line of High Level road; thence, a line drawn southeastwards along the centre line of the said road until it meets the centre line of Alhena road.

East :

From the last mentioned point a line drawn southwestwards along the centre line of Alhena road until it meets the centre line of Vidyakara Mawatha; thence, southwestwards along the said Mawatha until it reaches the centre line of Maharagama Dehiwala road; thence, northeastwards along the said road until it meets the centre line of Piliyandala road; thence, a line drawn southwestwards along the centre line of the said road until it meets the centre line of Nallawatha road.

South :

From the last mentioned point a line drawn southwestwards, westwards, southwestwards and southeastwards along the centre line of Nallawatha road until it meets the Cancer Hospital road centre; thence, southwestwards along the centre line of the said Hospital road until it reaches the centre line of Ambagahapura road; thence, northwestwards along the centre line of the said road until it meets the centre line of Kattuwawala road.

West :

From the last mentioned point a line drawn northwards along the centre line of Kattuwawela road until it meets the centre line of Maharagama Dehiwala road; thence, a line drawn southeastwards along the centre line of the said road until it meets the eastern Borlasgamuwa Lake reservation boundary line of 15 m; thence, northwestwards and northeastwards until it meets the northern reservation line of the said Lake; thence, a line drawn northwestwards, northwards and southwestwards until it meets the starting point.

### **Mixed Development Zone E**

North :

From a point where Jayanthi Mawatha centre line and the 8<sup>th</sup> Lane centre line meets a line drawn northeastwards, southwards and eastwards along the centre line of 8<sup>th</sup> Lane until it meets the centre line of Pamunuwa road; thence, eastwards along the southern boundary of Commercial Zone C until it reaches the eastern boundary of the said Commercial Zone; thence, a line drawn northwestwards along the said Commercial Zone until it meets the centre line of Theppanama – Polwatha road; thence, a line drawn southeastwards along the centre line of the said road until it meets the centre line of Devalaya road.

East :

From the last mentioned point a line drawn southeastwards and southwestwards along the centre line of Devalaya road until it meets the centre line of Pamunuwa road, thence a line drawn southeastwards along the centre line of Pamunuwa road until it meets the centre line of Eksath Subasathaka Mawatha.

South :

From the last mentioned point a line drawn southwestwards, northeastwards, northwestwards and southwestwards along the centre line of Eksath Subasathaka Mawatha until it meets the southern boundary of paddy field nos. 66/14/22 and 66/19/01,02,07 indicated in the Survey Dept. plan.

West :

From the last mentioned point a line drawn northwestwards along the southern boundary line of paddy field nos. 16/14/22, and 16/19/01,02,07 until it reaches the centre line of Jayanthi Mawatha; thence, a line drawn northeastwards and northwestwards along the centre line of the said Mawatha until it reaches the starting point.

### **Mixed Development Zone F**

North :

From the meeting point of the centre lines of Battaramulla – Maharagama road and the Nimal R. Peiris Mawatha a line drawn northeastwards along the centre line of Nimal R. Peiris Mawatha until it meets the centre line of Weerakone Mawatha; thence, a line drawn northwestwards along the centre line of said Weerakone Mawatha until it meets the centre line of Hokandara road; thence, a line drawn southeastwards along the centre line of the said road until it meets the centre line of Sri Nanthajothi Araama road.

East :

From the last mentioned point a line drawn southeastwards along the centre line of the Sri Nanthajothi Araama road until it meets the centre line of Kalalgoda road.

South :

From the last mentioned point a line drawn southwestward along the centre line of Sri Nanthajothi Araama road until it meets the centre line of Borella – Kottawa road; thence, a line drawn southwards along the centre line of the said road until it meets the centre line of “Wali road”; thence, a line drawn southwestwards and westwards to a distance of 220 m.

West :

From the last mentioned point a line drawn northwestward along the centre line of “Wali road” until it meets the centre line of Pansala road; thence, a line drawn northeastwards, eastwards along the centre line of the said road until it meets the centre line of Borella Kottawa road; thence, a line drawn northwestwards along the centre line of Boralla Kottawa road until it meets the starting point.

### **Mixed Development Zone G**

North :

From the meeting point of the centre lines of “Grama Sanwardana Mawatha” and Araliya Uyana 3<sup>rd</sup> Lane meets a line drawn southeastwards along the centre line of “Grama

Sanwardana Mawatha” until it meets the centre line of Borella – Kottawa road; thence, southeastwards along the centre line of the said road until it meets the centre line of Devalaya road; thence, a line drawn eastwards, southwards and eastwards along the said road until it meets the centre line of Weera Mawatha.

East :

From the last mentioned point a line drawn southwestwards, southeastwards along the said Mawatha until it meets the centre line of Borella – Kottawa road.

South :

From the last mentioned point a line drawn northwestwards along the centre line of Borella – Kottawa road until it meets the centre line of Kandahenawattha road; thence, a line drawn westwards along the centre line of the said road until it meets the centre line of “Cheena gahawattha Kotuwa road”.

West :

From the last mentioned point a line drawn northwards, northeastwards and northwards along the centre line of “Cheena gahawattha Kotuwa road” until it meets western boundary of the Dewram Vehera; thence a line drawn northwards along the western boundary of Dewram Vehera until it meets the Araliya Uyana 5<sup>th</sup> Lane centre line; thence, a line drawn northwards along the centre line of the said Lane until it meets the centre line of Araliya Uyana 3<sup>rd</sup> Lane; thence a line drawn northwestwards along the centre line of the said 3<sup>rd</sup> Lane until it meets the starting point.

- Paddy areas computerized mapping no. 66.14.23, 66.14.24, 66.19.04 prepared by Dept. of Surveys in Year 2001 are not included in this zone.

### **Mixed Development Zone H**

North :

From the meeting point of the centre lines of Old Kottawa road and the High Level road a line drawn eastwards until it meets the centre line of Ananda Mithree Mawatha; thence, a line drawn northwestwards along the said Mawatha until it meets the reservation line of Colombo – Avissawella Railway line; thence, a line drawn eastwards along the railway reservation line until it meets the centre line of Methsiri Place.

East :

From the last mentioned point a line drawn southwestwards along the centre line of Methsiri Place until it meets the centre line of Old Kottawa road; thence, a line drawn northwestwards along the centre line of the said road until it meets the centre line of

Ananda Vidyala road; thence, a line drawn southwestwards along the centre line of said road until it meets the centre line of High Level road.

South :

From the last mentioned point a line drawn northwestwards along the centre line of High Level road until it meets the Southern boundary line of Maharagama U.C. area, thence, a line drawn along the said boundary, until it meets eastern boundary of the Paddy land No. 66/19/14; thence, a line drawn northeastwards along the southern boundary of the said paddy land until it meets the western boundary of the said paddy land; thence, southwestwards along the southern boundary of Maharagama U.C. area, until it reaches the western boundary of the said paddy land; thence, southwards along the western boundary of the said paddy land until it meets the southern boundary of the Maharagama U.C. area; thence, northwestwards along the said boundary until it meets the eastern boundary of the paddy field no. 66/19/12,13,18; thence, northwards and northwestwards along the eastern boundary of the said paddy field until it meets the northern boundary of the said paddy land; thence, northwestwards and southwestwards along the northern boundary of the said paddy land until it meets the centre line of “Gammana road”.

West :

From the last mentioned point a line drawn northwestwards until it meets the centre line of 1<sup>st</sup> Lane; thence, southeastwards and northeastwards along the centre line of the said lane until it meets the centre line of Wattayawatha road; thence, northeastwards along the centre line of the said road until it meets the centre line of Ananda Maithri Mawatha; thence, a line drawn northwestwards along the centre line of the said Mawatha until it meets the starting point.

### **Mixed Development Zone I**

North :

From a point where the centre line of Kalalgoda road and Weera road meets a line drawn northeastwards along the centre line of Kalalgoda road until it meets the centre line of “Manicwatta road”; thence, a line drawn northwestwards along the centre line of the said road until it meets the centre line of Darmayathana road; thence, northeastwards along the centre line of the said road until it meets the centre line of Kottawa Malabe road.

East :

From the last mentioned point a line drawn southwestwards along the centre line of Malabe – Kottawa road; until it meets the centre line of Kanugalhena Mawatha.

South :

From the last mentioned point a line drawn southwestwards and southeastwards along the centre line of Kanugalhena Mawatha until it meets the northern boundary of the paddy field no. 66/19/04; thence, a line drawn southwestwards along the northern boundary of the said paddy field until it meets the centre line of Delgahawatha road; thence, a line drawn southwest, northwest and northeast along the centre line of the said road until it meets a point where the southern and eastern boundaries of the paddy land no. 66/14/24 & 66/19/04; thence, a line drawn along the eastern, northern and western boundaries of the said paddy land until it meets the centre line of Anularama road.

West :

From the last mentioned point a line drawn northwestwards along the centre line of Anularama road until it meets the centre line of Weera Mawatha; thence, a line drawn northeastwards and northwestwards along the said Mawatha until it meets the starting point.

### **Mixed Development Zone J**

North :

From the point where the centre line of Samanpura Mawatha and Kottawa – Piliyandala road meets a line drawn northeastwards along the centre line of Samanpura Mawatha until it meets the western boundary of paddy field no. 66/19/15, and 66/19/20.

East :

From the last mentioned point a line drawn southwards, southeastwards and southwestwards along the western boundary of the paddy field no. 66/19/15, and 66/19/20 until it meets the southern boundary of Maharagama U.C. area.

South :

From the last mentioned point a line drawn westwards along the southern boundary of Maharagama U.C. area until it meets the southern boundary of the said Maharagama U.C. area at Kottawa – Piliyandala road.

West :

From the last mentioned point a line drawn northeastwards along the centre line of Kottawa – Piliyandala road until it meets the starting point.

### **Mixed Development Zone K**

North :

From the meeting point of the centre lines of Vihara Mawatha and Rukmale road a line drawn eastwards along the centre line of Rukmale road until it meets the centre line of Balika Niwasa road; thence, along the centre line of the said road until it meets the western boundary of the paddy fields nos. 66/19/10, 66/20/06,11 of 2001 depicted in the Survey Dept. Plan.

East :

From the last mentioned point a line drawn southwards westwards and eastwards along the said western boundary of the paddy land until it meets the centre line of the High Level road.

South :

From the last mentioned point a line drawn northwestwards along the centre line of High Level road to a distance of 460 m; thence, southeastwards along the western boundary of the paddy field nos. 66/19/15 and 66/19/20 to a distance of 1640 m.

West :

From the last mentioned point a line drawn northwestwards along the western boundary of paddy field no. 66/19/15 until it meets the centre line of High Level road; thence, a line drawn eastwards along the centre line of the said road until it meets the centre line of Kottawa – Malabe road; thence, a line drawn northwestwards along the said road until it meets the southern reservation line of Kelani Railway line; thence, a line drawn westwards along the said reservation line until it meets the centre line of Mega Heaters road; thence, a line drawn northwestwards along the centre line of the said road until it meets the centre line of Vihara Mawatha; thence, northwestwards along the centre line of the said Mawatha until it reaches the starting point.

### **Institutional Zone A**

North :

From a point where the centre line of Old Kesbawa road and the western boundary of Maharagama U.C. area meets a line drawn southeastwards to a distance of 530 m.

East :

From the last mentioned point a line drawn southeastwards along the western boundary of Maharagama U.C. area until it meets the centre line of Soratha Mawatha; thence, a line drawn southwestwards along the centre of the said Mawatha until it meets the western boundary of the said Maharagama U.C. area.

South :

From the last mentioned point a line drawn northwestwards, southwestwards, northwards, westwards, southwestwards and northwestward along the western boundary of Maharagama U.C. area to a distance of 1190 m.

West :

From the last mentioned point a line drawn northeastwards along the western boundary of Maharagama U.C. area until it meets the centre line of Old Kesbawa road; thence, a line drawn southeastward along the southern boundary and northwards along the eastern boundary and northwestwards along the northern boundary of paddy field no. 66/18/05 until it meets the centre line of Old Kesbawa road; thence, a line drawn northeastwards along the centre line of Old Kesbawa road until it meets the starting point.

### **Institutional Zone B**

North :

From a point where the centre line of Maharagama – Dehiwala road meets the western boundary of Maharagama U.C. area a line drawn southeastwards along the said road until it meets the centre line of Katuwawala road; thence a line drawn southwards and southeastwards along the centre line of the said road until it meets the centre line of Ambagahapura road; thence, a line drawn southeastwards along the centre line of the said road until it meets the centre line of Cancer Hospital road; thence, northeastwards along the centre line of the said road until it meets the centre line of a Lane joining Cancer Hospital road with Dhaham Mawatha; thence, a line drawn eastwards along the centre line of the said Lane until it meets the centre line of Dhaham Mawatha; thence, northwestwards along the centre line of said Mawatha until it meets the centre line of Nilammahara road; thence, a line drawn northeastwards along the centre line of the said road to a distance of 130 m.

East :

From the last mentioned point a line drawn southwards and southwestwards along the centre line of Nallawatta road until it meets the centre line of Dhaham Mawatha; thence, a line drawn southwestwards along the centre line of the said Dhaham Mawatha to a distance of 400 m.

South :

From the last mentioned point a line drawn westwards along the centre line of Dhaham Mawatha until it meets the western boundary of Maharagama U.C. area; thence, westwards along the said boundary to a distance of 90 m.

West :

From the last mentioned point a line drawn northwestwards along the western boundary of Maharagama U.C. area until it meets the starting point.

### **Institutional Zone C**

North :

From the southern reservation line of Kelani Valley Railway Line where the extended centre line of Maha Megawatha road meets a line drawn southeastwards along the said southern reservation line until it meets the centre line of Kanatha road.

East :

From the last mentioned point a line drawn southeastwards along the extended centre line of the said road until it meets the centre line of Old Kottawa road; thence, a line drawn southwestwards along the centre line of the said road until it meets the centre line of High Level road; thence, a line drawn southeastwards along the centre line of High Level road until it meets the centre line of Ananda Maithri Mawatha; thence, southeastwards along the centre line of the said Mawatha until it meets the centre line of Wattayawatha road; thence, westwards along the centre line of the said road until it meets the centre line of the 1<sup>st</sup> Lane; thence, a line drawn southwards, southwestwards and northwestwards along the centre line of said Lane until it meets the centre line of Gammana road; thence, southeastwards along the centre of the said road until it meets the northern boundary of the paddy field nos. 66/19/12,13,18 of 2001 prepared by the Survey Dept.

South :

From the last mentioned point a line drawn southwestwards and northwestwards along the northern boundary of the said boundary to a distance of 830 m.

West :

From the last mentioned point a line drawn northwestwards along the northern boundary of the paddy field nos. 66/19/12, 13,18 until it reaches the centre line of Nugagaha Place; thence, a line drawn northeastwards, and southeastwards until it reaches the centre line drawn northeastwards along the extended centre line of the said road until it reaches the starting point.

## **Special Residential Zone 01**

North :

From a point the centre line of Rajamaha Vihara Mawatha and the northern boundary of Maharagama U.C. area meets a line drawn eastwards, southeastwards, northwards, northeastwards along the said boundary line until it meets the reservation line of Diyawanna Oya; thence, southeastwards and northeastwards along the reservation of the said Oya until it meets the northern boundary of the Maharagama U.C. area; thence, a line drawn northeastwards along the said boundary until it meets the western boundary of the paddy field nos. 66/14/17,22 of 2001 prepared by the Survey Dept.

East :

From the last mentioned point a line drawn southwards along the western boundary of the said paddy field no. 66/14/17, 22 until it meets the centre line of a road leading to Sri Jayawardenepura Hospital Gate No. 2.

South :

From the last mentioned point a line drawn southwestwards along the centre line of the road leading to Sri Jayawardenepura Hospital Gate No. 2 until it reaches the centre line of Kanatha road; thence, a line drawn southwestwards along the said road until it meets the centre line of Delgahawatha road; thence, a line drawn southwestwards, along the centre line of the said road until it meets the centre line of Thalapathpitiya Pansala road 1<sup>st</sup> Lane.

West :

From the last mentioned point a line drawn northwestwards along the centre line of Delgahawatha road until it meets the eastern boundary of paddy field nos. 66/14/16,17,21; thence, a line drawn northeastwards along the eastern boundary of the said paddy field until it meets the northern boundary of the same paddy field; thence, a line drawn northwestwards and southwestwards along the northern boundary of the said paddy field to a distance of 230 m until it meets the centre line of Mathiwela – Ambuldeniya road; thence, a line drawn southwestwards along the centre line of the said road until it meets the centre line of Bodiya road; thence, a line drawn northwestwards along the centre line of the said road until it meets the southern boundary of the paddy field no. 66/14/16; thence, a line drawn northeastwards along the southern boundary of the said paddy field until it meets the eastern boundary of the said paddy field; thence, a line drawn northeastwards and northwestwards along the eastern boundary of the said paddy field until it meets the northern boundary of the paddy field; thence, a line drawn southwestwards along the northern boundary of the said paddy field until it meets the centre line of Bodiya road; thence, a line drawn northwestwards along the centre line of Bodiya road until it meets the centre line of Raja Maha Vihara Mawatha; thence, a line drawn southwestwards along the centre line of the said Mawatha until it meets the starting point.

## **Special Residential Zone 02**

North :

From a point 160 m. away northwestwards along the centre line of Japan Friendship road from the meeting point of centre line of Thalawathugoda road and the Japan Friendship road a line drawn northeastwards to a distance of 200 m. along the southern boundary of the paddy field nos. 66/14/17,22.

East :

From the last mentioned point a line drawn southeastwards along the southern boundary of the paddy field nos. 66/14/17,22 until it meets the centre line of Bodhiraja Mawatha.

South :

From the last mentioned point a line a line drawn southwestwards along the centre line of Bodhiraja Mawatha until it meets the centre line of Japan Friendship road.

West :

From the last mentioned point a line drawn northwestwards along the centre line of Japan Friendship road until it meets the starting point.

## **Residential Zone 01**

North :

From a point where the centre line of Jambugasmulla 2<sup>nd</sup> Lane and the western boundary of Maharagama U.C. meets the line drawn northeastwards along the said boundary to a distance of 250 m.

East :

From the last mentioned point a line drawn southeastwards along the western boundary of Maharagama U.C. area until it meets the centre line of Jambugasmulla 7<sup>th</sup> Lane; thence, a line drawn westwards along the centre line of 7<sup>th</sup> Lane until it meets the centre line of 8<sup>th</sup> Lane; thence, a line drawn southwestwards along the centre line of the 8<sup>th</sup> Lane until it meets the centre line of Wekanda road; thence, a line drawn southeastwards along the centre line of the said road until it meets the eastern boundary of the paddy land no. 66/18/05 of 2001 depicted in the Survey Dept. plan.

South :

From the last mentioned point a line drawn northwestwards along the northern boundary of the paddy land no. 66/18/05 until it meets the northern boundary of the said paddy land; thence, westwards, southwards and westwards to a distance of 250 m along the said northern boundary of the paddy field.

West :

From the last mentioned point a line drawn northwestwards, northwards and northeastwards along the northern boundary of the paddy field no. 66/18/05 until it meets the western boundary of Maharagama U.C. area; thence, a line drawn northwestwards along the said boundary until it meets the starting point.

### **Residential Zone 02.**

North :

From the meeting point of the centre line of Soratha Mawatha and the western boundary of Maharagama U.C. area a line drawn southeastwards, northeastwards, southeastwards, northeastwards, northwestwards, northeastwards and northwestwards along the western boundary of Maharagama U.C. area until it meets the western boundary of the paddy field nos. 66/14/22 and 66/19/01,02,07.

East :

From the last mentioned point a line drawn eastwards along the western boundary of paddy field nos. 66/14/22 and 66/19/01,02,07 to a distance of 1730 m.

South :

From the last mentioned point a line drawn westwards along the western boundary of the said paddy field nos. 66/14/22 and 66/19/01,02,07 until it meets the centre line of Wekanda road; thence, a line drawn northwestwards along the centre line of the said road until it meets the centre line of Maya Mawatha; thence, a line drawn westward and northwestwards along the centre line of the said Mawatha until it meets the centre line of Janatha Mawatha; thence; a line drawn southwestwards along the centre line of said Mawatha until it meets the centre line of Old Kottawa road; thence, a line drawn northwestwards along the centre line of the said road until it meets the centre line of Devananda road; thence, a line drawn southwestwards along the centre line of the said road until it meets the centre line of High Level road; thence, a line drawn southeastwards along the centre line of the said road until it meets the northern boundary of paddy field no. 66/19/06; thence, a line drawn southwestwards along the northern boundary of the said paddy field until it meets the western boundary of the said paddy field; thence, a line drawn southeastwards and southwestwards along the western boundary of the said paddy

field until it meets the western boundary of Maharagama U.C. area; thence, a line drawn northwestwards along the said boundary until it meets the centre line of Soratha Mawatha.

West :

From the last mentioned point, a line drawn northeastwards along the centre line of Soratha Mawatha until it meets the starting point.

### **Residential Zone 03**

North :

From the meeting point of the centre line of Janatha road and the southern boundary of paddy field no. 66/19/06 a line drawn northeastwards along the said paddy field boundary until it meets the centre line of Isipathana road.

East :

From the last mentioned point a line drawn southwestwards along the centre line of Isipathana road until it meets the centre line of Purana road; thence, a line drawn southeastwards along the centre line of the said road until it meets the centre line of Wattegedera road.

South :

From the last mentioned point a line drawn southwestwards along the centre line of Wattegedera road until it meets the western boundary of the Maharagama U.C. area; thence, a line drawn westwards along the said boundary to a distance of 300 m.

West :

From the last mentioned point a line drawn northwestwards along the western boundary of Maharagama U.C. area until it meets the southern boundary of the paddy field no. 66/19/06; thence, a line drawn northeastwards along the southern boundary of the said paddy field until it meets the starting point.

### **Residential Zone 04**

North :

From a point 130 m along Nallawatha road from the meeting point of the centre lines of Dhaham Mawatha and Nallawatha road towards northeast a line drawn along the centre of Nallawatha road until it meets the centre line of Piliyandala road.

East :

From the last mentioned point a line drawn southeastwards along the centre line of Piliyandala road until it meets the centre line of Nugagaha Place; thence, a line drawn northeastwards along the centre line of Nugagaha Place until it meets the northern boundary of the paddy field nos. 66/19/12,13,18; thence, a line drawn southeastwards along the northern boundary of the said paddy land to a distance of 950 m.

South :

From the last mentioned point a line drawn along southwestwards, northwestwards, northeastwards, northwestwards, southeastwards and southwestwards along the northern boundary of paddy field nos. 66/19/12,17,21,22,23,18 until it meets the western boundary of Maharagama U.C. area.

West :

From the last mentioned point a line drawn northwestwards and northeastwards along the western boundary of Maharagama U.C. area until it meets the Daham Mawatha, thence, a line drawn eastwards and northeastwards along the centre line of Daham Mawatha, until it meets the centre line of Nallawata road thence, a line drawn eastwards and northward along the centre line of Nallawattha road until it meets the starting point.

### **Residential Zone 05**

North :

From a point 100 m away northwestwards from Pathirage road along the western boundary of the paddy field no. 66/14/22, 66/19/01,02,07 of 2001 prepared by the Survey Dept. a line drawn northeastwards along the said western boundary of the paddy field to a distance of 400 m.

East :
